An added 1/8 to 1/2 yard is added to all yardages to account for shrinkage, straightening, cutting errors and prints that may require special cutting to get the best results.

You should protect your investment in time and fabric by making sample blocks before cutting into your fabric because Exclusively Quilters will take no responsibility for replacing fabrics.

Shops who wish to kit this design are responsible for figuring yardage for their kits if they wish to reduce yardages.

Assembly & Finishing:

2. Trim two 3-1/2" x 44" pink tonal strips to the same as the width of the quilt. Add a 3-1/2" brown floral vine square to both ends of each border and then set aside. Sew a 3-1/2" x 44" brown floral vine to right and left sides of quilt, press and trim excess. Add the prepared top and bottom borders.

3. Layer the backing, batting and quilt top. Quilt or tie as desired.

4. Prepare binding from four 2-1/2" x 44" cream flowers on pink strips. Sew strips together into one long binding strip. Press strip in half lengthwise.

5. Carefully trim backing and batting even with quilt top.

6. Leaving an 8" tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to 1/4" and press open. Finish sewing binding to quilt.

7. Turn binding to back of quilt and blind stitch in place.
